Exceptionally high standard family home

DESCRIPTION

Holmes Hosking are pleased to offer an early opportunity to secure this exceptional newly renovated 4-bedroom detached house, combining a modern layout and design with well-proportioned accommodation throughout.

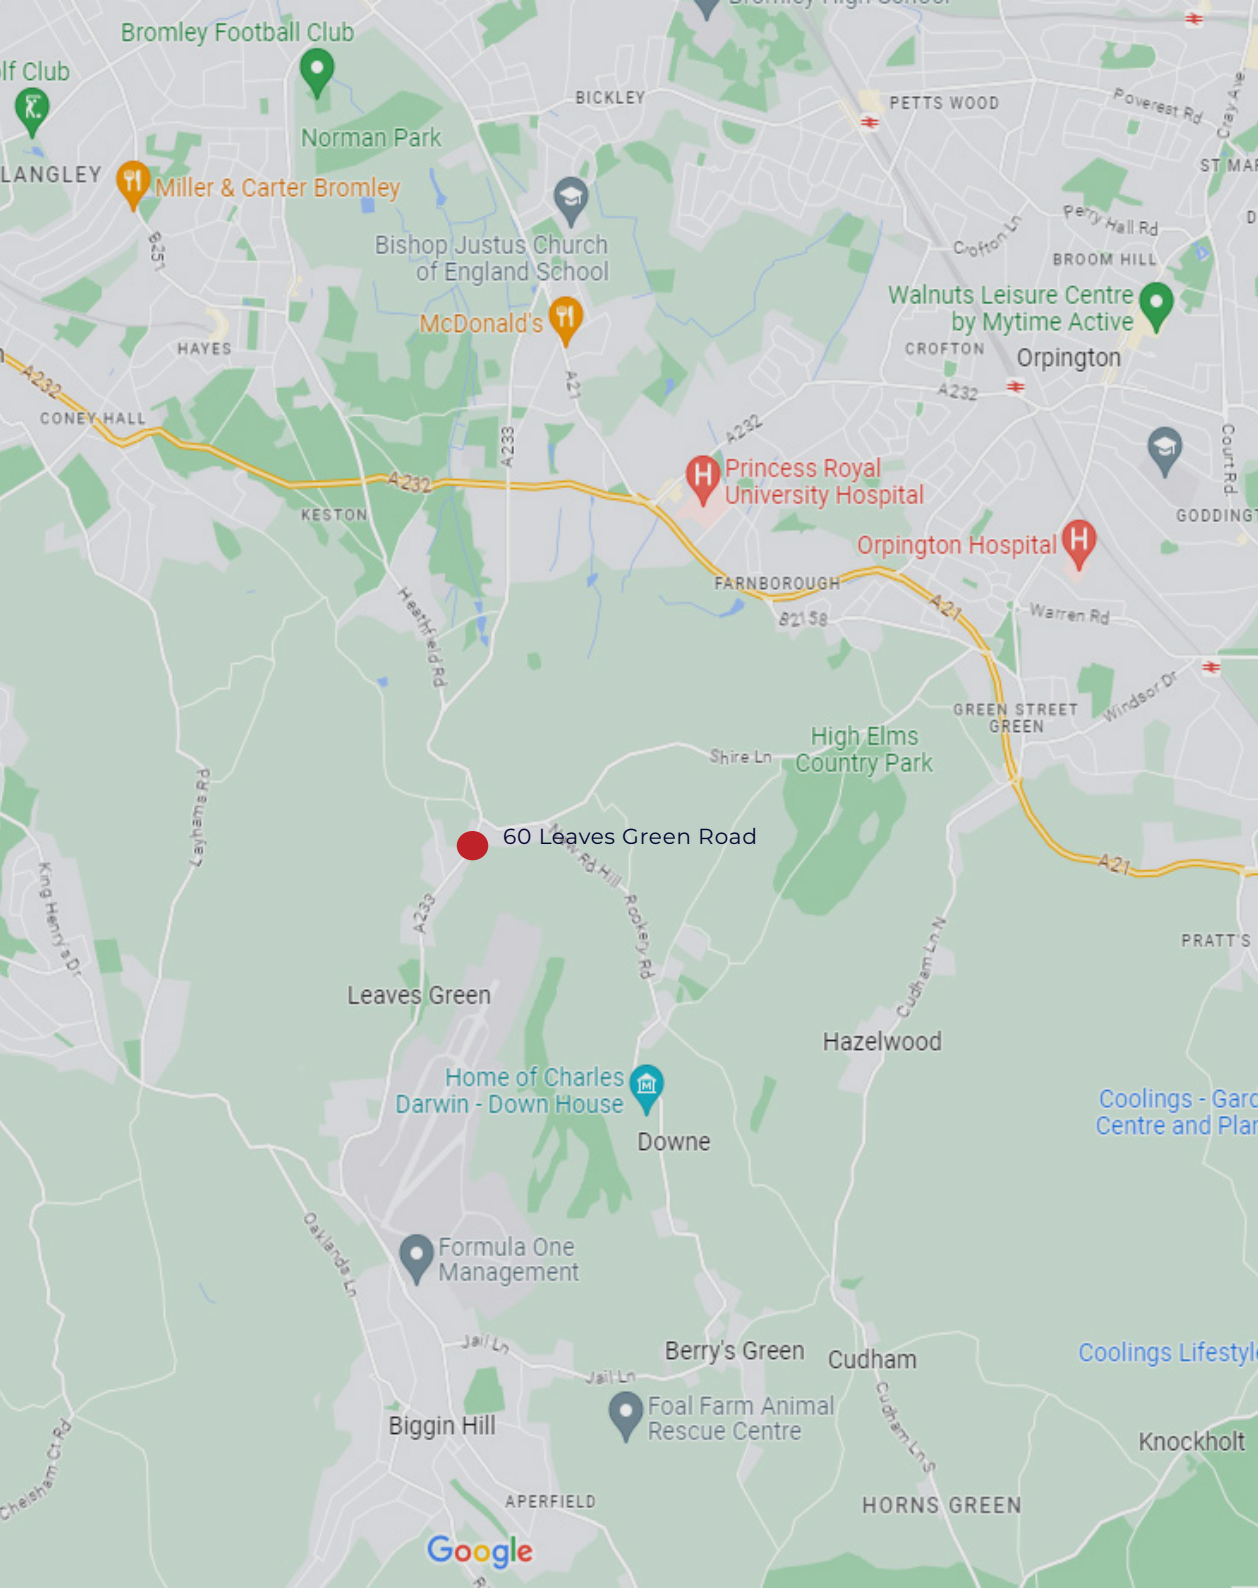

PACK Developments have built a reputation for creating a high quality product with exceptional design and meticulous attention to detail in their finish. In this case, they offer the chance to secure their latest project at an early stage, which will allow the buyer the opportunity to have input into various details and finishes.

Internally the house will provide a generous entrance hall/ study area, large open plan living/ dining room/ kitchen with bi-folding doors leading to the garden, a large utility room, a family bathroom and a double bedroom on the ground floor.

Upstairs there are three further double bedrooms, the master of which has a generously sized dressing room and ensuite bathroom.

The expansive garden is ideal for entertaining. A garden office/ gym could easily be accommodated without compromising the space, whilst at the front of the house the large driveway provides both ample car parking and privacy.

LOCATION

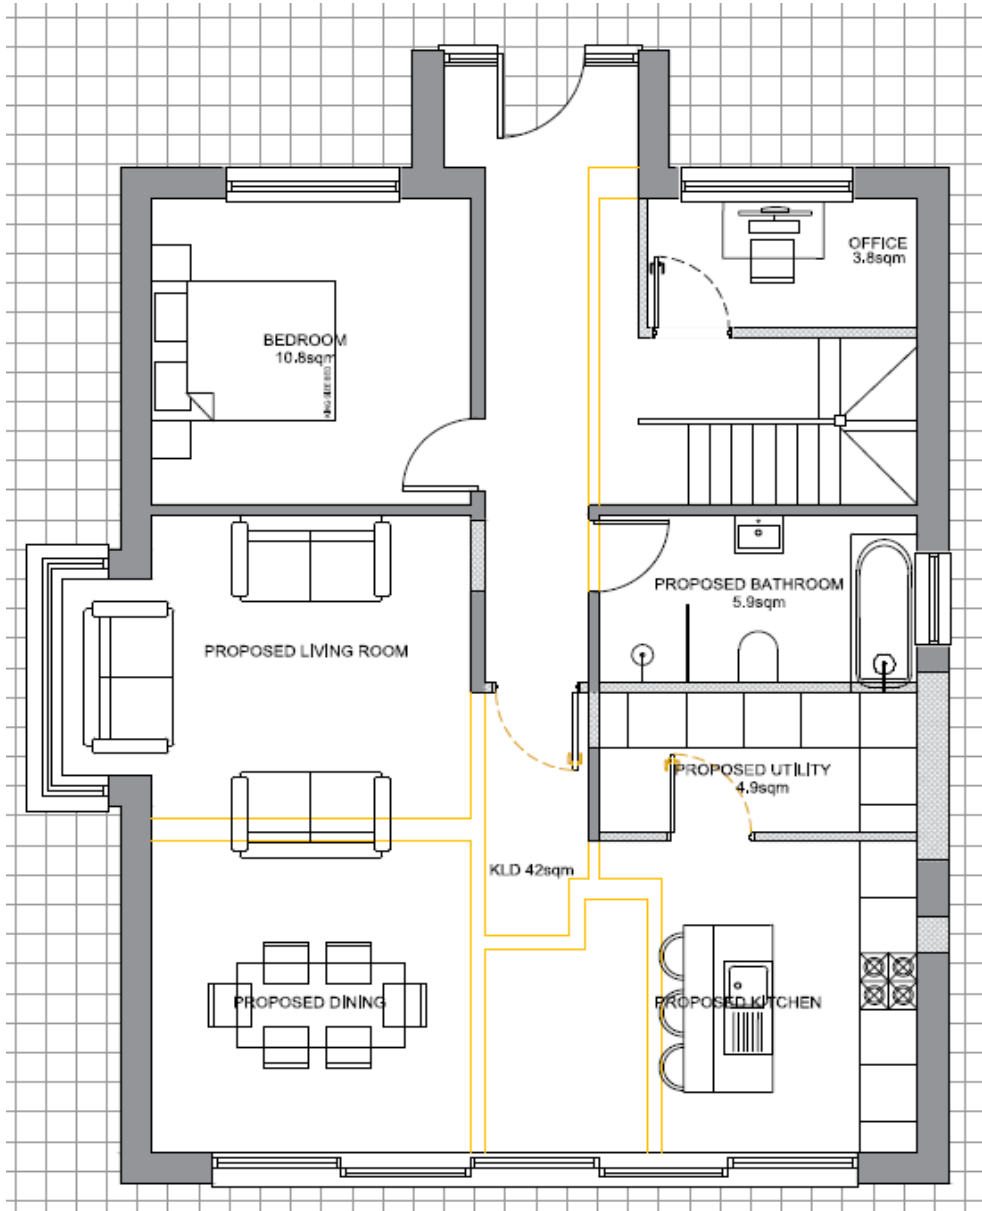

Located a mile from Keston ponds and less than a mile and a half from Keston village the property has easy access to pubs, restaurants and countryside walks whilst also being in the catchment area for several popular primary and secondary schools, including Ravenswood School for boys.
